Sheri has performed at The Listening Room at Dreamcatcher Guitars on three occasions. Her performances are always upbeat and engaging. She performs with confidence and engages the audience with interesting stories. Her presentations are always professional and uplifting. I would highly recommend Sheri as a performer and workshop leader.

Kling's songs are witty, real and poignant. Kling's voice - a clear, strong instrument of beauty - brims with the kind of lived-in experience that immediately makes one lean forward and feel a connection.

[Your music] is rich and powerful, capable of moving people to action and tears. There were so many people who spoke to me of their appreciation for your music. I heard great things about your workshop. It is wonderful to have you as a friend of Mary & Martha's Place. We look forward to future collaboration.
